BRIGHT'S DISEASE

Late estimates on the percentage of recoveries under the new emollient treatment for Bright's Disease are as follows:

Where patient is much weakened and crises may be expected in from five to ten days, probably not more than 10% to 20% recover. Where physicians aid with efforts to restrain fatal symptoms this percentage is increased. In cases where patients have from thirty to sixty days of life the efficiency is very much higher.

Where patients do not wait until bed-ridden, probably three-fourths yield.

And in cases that take the new emollient treatment on the appearance of the disease nearly nine out of ten respond.

Albumen Casts and dropsy do not prevent recovery. The point is that the renal inflammation should be attacked before the heart and physical system are broken down.

The new emollient treatment is known as Fulton's Renal Compound. It can be had in Honolulu at the Honolulu Drug Co.

We desire every patient to write us who is not noting the usual improvement by the third week. Literature mailed free. Jno. J. Fulton Co., 645 Battery St., San Francisco, Cal. We invite correspondence with physicians who have obstinate cases.

PEACE TERMS BEING TALKED

EL PASO, May 4.—General Madero issued a statement today, in which he appeals to President Diaz to make public his assurance that he intends to resign as soon as peace is established. Madero offers to resign as provisional president, and suggests that when President Diaz and Vice-President Corral resign, that Secretary of State Francisco Leon De La Barra become president until a general election can be held.

Peace for the South.
MEXICO CITY, May 4.—It is announced that the government and General Figueroa, representing the revolutionists in the south, have agreed upon the peace terms for the southern parts of the republic.

Startling Prediction.
WASHINGTON, D. C., May 4.—Representative Enoch of Pennsylvania made the startling prediction here today that there would be an early invasion of Mexico.

OFFSET TO BOSTON TEA PARTY.
CORDOVA, Alaska, May 4.—Next to the celebrated "Boston Tea Party" of the revolution, it is likely that the "Cordova Coal Party" will go down in history as famous. This city is within sight of inexhaustible coal fields, which are practically undeveloped on account of the trouble over granting title by the interior department at Washington, due to the Hallinger imbroglio.

Coal for use here has been brought in ships from British Columbia, and today a steamer arrived with such a load of coal and put up at the docks of the Alaska Steamship Company.

Incensed at the failure of appeals to President Taft to hasten the opening of the Alaska coal fields, the arrival of the steamer acted upon public sentiment here in a curious way. A mob of 300, armed with shovels, quickly gathered. The crowd was led by President Adams of the local chamber of commerce and former Mayor Chase.

Marching to the dock, the men boarded the steamer and proceeded to throw the cargo of coal overboard, demanding that they be allowed to use Alaskan coal.

After most of the cargo had been thrown into the sea the mob dispersed. Fearing that there may be further trouble, a request has been made for troops to preserve order. The excitement is intense.

COAST PLANT FOR STEEL TRUST.
SAN FRANCISCO, May 4.—It was announced here today that the Riedon Iron Works has sold its great plant here to the United States Steel Corporation, better known as the Steel Trust.

It is asserted that the price paid the Riedon people approximates two million dollars. It is also asserted that the trust proposes to build plants and to erect warehouses in Portland, Tacoma and Seattle as well as extending the plant here.

TIME IS MONEY.
WASHINGTON, D. C., May 4.—During the tariff debate in Congress today, Representative Sims of Tennessee declared that the delay in action on the tariff caused by the debate was costing the people of the country at the rate of \$10,000 a minute.

BREWER-CUDAHY WEDDING APR. 25

Miss Nora Brewer, daughter of W. P. A. Brewer, the Hawaiian sugar magnate, now a resident of San Francisco, and Edward Cudahy, son of the late Michael Cudahy, were married in San Francisco on Tuesday, April 25. The following is from the Call:

In the Catholic Church of St. Matthew, which is set behind a hedge row of blooming red San Rafael roses on a quiet street of San Mateo, Edward Cudahy of Chicago, a young millionaire, yesterday noon married Miss Leonore Brewer of Burlingame.

The wedding ceremony was performed by Archbishop Patrick W. Riordan, and the nuptial mass which followed was offered by the Rev. Charles Rumm of St. Mary's Cathedral. Close friends of the couple were invited to the number of about 100 and the church was filled informally with several hundred friends and acquaintances.

The wedding yesterday noon was the conclusion of an engagement of almost two year's standing, an engagement which has interested California and Chicago with equal pertinency on account of its vicissitudes and of the prominence of the young couple.

The bridegroom is the son of the late Michael Cudahy, the multi-millionaire meat packer of Chicago and Omaha, and he is the inheritor of \$1,000,000 or more from the estate of his father. He is a brother of Mrs. Jack Casserly of El Cerrito, and it was probably due to that relationship that the romance had its inception. It was while visiting Mrs. Casserly that Edward Cudahy met Miss Brewer.

After the announcement of their engagement there were several postponements of the marriage ceremony. Bride Popular About Bay.

Mrs. Cudahy, as Nora Brewer, was most popular in San Francisco and Burlingame. She and her sister Miss Amy Brewer, lived in the suburbs, but frequently visited in San Francisco. Mrs. Cudahy is fond of out-of-door life, an expert tennis player, golfer, horsewoman and swimmer.

She is the daughter of the late Mr. and Mrs. W. P. A. Brewer, an Hawaiian sugar planter, and the family estate consists of valuable sugar plantations in the Hawaiian Islands. The bride's mother was a sister of Frank McCoppin, first mayor and former postmaster of San Francisco. A brother, Frank McCoppin, lives in this city, but at present is in the Hawaiian Islands.

European Plan \$1.50 a day up
American Plan \$3.00 a day up

Steel and brick structure, furnishings cost \$200,000. High class hotel at moderate rates. Omnibus meets all trains and steamers. Hawaiian Island headquarters. Cable address, "Trawets" A. B. C. Code. Reservations made through Trent Trust Co., Fort Street, Honolulu.

Hotel St. Francis
Union Square, San Francisco
Under the Management of JAMES WOODS

FACING the beautiful park in the heart of the city, which is the theatre of the principal events of the famous festivals of San Francisco, this hotel, in environment and atmosphere, expresses most pleasantly the comfortable spirit of old California.

The royalty and nobility of the Old World and the Far East and the men of high achievement in America who assemble here contribute to the cosmopolitan atmosphere of an institution which represents the hospitality and individuality of San Francisco to the traveler.

The building, which marks the farthest advance of science in service, has now the largest capacity of any hotel structure in the West, and upon completion of the Post street annex will be the largest caravansary in the world.

WHILE THE SERVICE IS UNUSUAL, THE PRICES ARE NOT.
